

Mr Amit Mehta
Proprietor & CEO

Amit Mehta founded Inspired Learning Group in 2014. After over 20 years in the corporate sector, working in FTSE 500 companies and initiating two businesses himself, Amit started looking for a new opportunity relevant to his changing lifestyle and personal circumstances.

As a single parent, he understood the importance schools play in providing stability, comfort, and continuity for children. He had a vision to develop secure family settings for pupils, whilst also providing the skills set and education needed to become successful entrepreneurs of the future.

In a predominantly fragmented market where schools and nurseries work as standalones, Amit saw the opportunity to combine settings, leveraging resources to successfully implement growth plans, support education enhancement initiatives and maximise return on investment. Since founding the Inspired Learning Group in 2014 he has expanded the group's portfolios of schools and nurseries to 21 and still growing.
