The 'College' refers to all the staff and pupils of the Prep department and Senior School which includes Early Years Foundation stage (EYFS), Pre-prep (Key Stage 1), Prep (Key Stage 2), and Senior School (Key Stages 3-5).

Policy

The purpose of this policy is to regulate the management and operation of the Closed Circuit Television (CCTV) System at St Francis College. It also serves as a notice and a guide to data subjects (including pupils, parents, staff, volunteers, visitors to the School and members of the public) regarding their rights in relation to personal data recorded via the CCTV system (the System).

The System is administered and managed by the School, who act as the Data Controller. This policy will be subject to review from time to time, and should be read with reference to the School's Privacy Notice. For further guidance, please review the Information Commissioner's CCTV Code of Practice (accessible here: <https://ico.org.uk/media/1542/cctv-code-of-practice.pdf>).

All fixed cameras are in plain sight on the School premises and the School does not routinely use CCTV for covert monitoring or monitoring of private property outside the School grounds.

Camera locations will be:

Main Front Entrance, left side and rear of Broadway Building
Prep Car Park & Entrances
Loggia Garden
Phoenix Courtyard Entrances

Further camera locations may be added to the above list as risks identified. Staff will be notified and the policy will be updated fully at the review date.

The School's purposes of using the CCTV system are set out below and, having fully considered the privacy rights of individuals, the School believes these purposes are all in its legitimate interests. Data captured for the purposes below will not be used for any commercial purpose.
